

HARVEY A. MEIER CO.

FOUNDED 1971

## *Advisor to CEOs and Boards of Directors*

### **What my CEO clients often tell me:**

“I feel isolated yet must be accessible around the clock. Its very lonely at the top of the pyramid.”

“I find great value in talking to someone in complete candor and confidence.”

“Retaining a CEO advisor for a second opinion is a valuable resource when making decisions and judgment calls.”

### **My role is to assist CEOs:**

- Link people, strategy, and operations to achieve results
- Inspire and engage personnel to get things done
- Optimize leadership team performance and unity
- See things from a fresh perspective
- Identify and evaluate options
- Separate facts from emotion
- Select and appraise people
- Find innovative solutions
- Navigate board dynamics

### **CEO Client Testimonial:**

*"You have a strong understanding of best practices in leadership and governance that guides your advice to be productive and world class. Additionally you separate the emotion from an issue and focus on what the business needs – but you don't ignore the power that emotions and culture play in an organization."*

*Testimonial from 12-year CEO client echoed by numerous other client CEOs*
